

# You can help . . .

*Columbia Breaks Foundation  
is a nonprofit organization  
working to build a  
unique fire interpretive center  
found no where else in the world.*

*Visitors world wide—whether involved in  
education, recreation, industry, agriculture or as property owners  
—will learn about the role of fire  
in the environment and it's affects on people  
through exhibits and live demonstrations.*
